

PERMANENT EXHIBITION : Room "Today"

Expression about rehabilitation

Go to room 11 « today » in the basement, to the underneath module « rehabilitation » which at the end of the permanent exhibition presents one of the major topics of the Red Cross Activities.

MODULE rehabilitate (réhabiliter – rehabilitieren)

Anti-personal mines inflict serious and permanent handicaps.

Go from the “red carpet” on the floor towards this module while hopping only on one foot, and then visit it without forgetting to walk through the handrails.

Then specify **three feelings** which you experienced while using only one leg, and after that think of **three decisions** you would take for yourself in this new situation and explain them:

1 st feeling:	1 st decision for yourself in this new situation :
2 nd feeling:	2 nd decision for yourself in this new situation :
3 rd feeling:	3 rd decision for yourself in this new situation :
